

Membership Application

When you join EAA Chapter 643 provides:

- **Lively and informative meetings every 3rd Monday of each month**
 - **Network with local EAA members, pilots & active builders**
 - **Benefit from technical expertise of our experienced members**
 - **Support from the Young Eagles & Pilot Education Events**
- **Aviation scholarships, group fly / drive out activities and much more...**

Members include homebuilders, restorers, balloonists, owners of antique, classic and production airplanes, RC aircraft and drones. Pilots and non-Pilots along with student pilots and those that are just as enthusiastic about aviation, are all welcome!

The EAA (Experimental Aircraft Association), of Oshkosh, Wisconsin (the Parent Organization) requires that Chapter 643. Member's updated information will be provided to the Parent Organization. The benefit of this is that we receive Liability Insurance for our public events and the advantages are numerous and all worthwhile for our members.

Your aircraft / flight information will be populated with your information that is provided on the back of this application. Please provide a brief description of aircraft you have flown and / or worked on which would be helpful to the membership. Thank you for your participation in this program.

Dues are \$50 per year for members 26 years of age or older. There is no Chapter membership fee for members twenty-five and under, new members' dues are \$25 for the first year of membership.

See reverse side of this application for all EAA Information
