## Membership Application

***When you join, EAA Chapter 643 provides:***

- **Lively and informative meetings every 3<sup>rd</sup> Monday of each month**
- **Network with local EAA members, pilots & active builders**
- **Benefit from technical expertise of our numerous experienced members**
- **Support from the Young Eagles & Pilot Education Events**
- **Access to our private Facebook Group and our restricted Email Group**
- **Aviation scholarships, group fly / drive out activities and much more...**

Members include homebuilders, restorers, balloonists, owners of antique, classic and production airplanes, RC aircraft and drones. Pilots and non-pilots along with student pilots and those that are just *passionate about aviation are all welcome!*

The EAA (Experimental Aircraft Association), of Oshkosh, Wisconsin (the Parent Organization) requires that Chapter 643 Members also have an active membership with the Parent Organization. The benefit of this is that we receive Liability Insurance for our public events and the advantages are numerous and all worthwhile for our members.

Your aircraft / flight information will be populated with your information that is provided on the back of this application. Please provide a brief description of your aircraft you are flying or are working on, which would be helpful to the membership. Thank you for your participation in this program.

**Dues are \$50 per year for members 26 years of age or older. There is no Chapter membership fee for members 25 and under. New member dues are \$25 for the first year of membership.**

*See reverse side of this application for all EAA details.  
Please see our chapter web site [eaa643.org](http://eaa643.org) for more information.*
